### **2260.01 - SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY**

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504"), the Americans with Disabilities Act of 1990, as amended ("ADA") and the implementing regulations (collectively "Section 504/ADA"), no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Education does not discriminate in admission or access to, or participation or treatment in its programs or activities. As such, the Board's policies and practices will not discriminate against students with disabilities and will make accessible to qualified individuals with disabilities its facilities, programs, and activities. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the District.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aids and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive technology, reasonable accommodations or auxiliary aids or services, or learned behavioral or adaptive neurological modifications.

With respect to public preschool, elementary and secondary educational services, a qualified person with a disability means a disabled person:

- A. who is of an age during which nondisabled persons are provided educational services;
- B. who is of any age during which it is mandatory under Michigan law to provide educational services to disabled persons; or
- C. to whom the State is required to provide a free appropriate public

education pursuant to the Individuals with Disabilities Education Improvement Act (IDEIA).

With respect to vocational education services, a qualified person with a disability means a disabled person who meets the academic and technical standards requisite to admission or participation in the vocational program or activity.

### **Compliance Officer(s)**

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)").

Julie Powell (Name)	Jason Messenger (Name)
Assistant Superintendent (School District Title)	Middle School Principal (School District Title)
269-428-1400 (Telephone Number)	269-428-1408 (Telephone Number)
5771 Cleveland Avenue Stevensville, MI 49127 (Office Address)	1459 W. John Beers Road Stevensville, MI 49127 (Office Address)
Jpowell@lakeshoreps.org (E-mail Address)	jmessenger@lakeshoreps.org (E-mail Address)

The names, titles, and contact information of these individuals will be published annually in the parent/student and staff handbooks, in the School District Annual Report to the public, on the School District's web site, and/or in the School District's calendar.

Building Principals shall serve as Building Section 504/ADA Compliance Officer(s) ("Building Compliance Officers").

The District Compliance Officer(s) are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the ADA. A copy of Section 504 and the ADA, including copies of the implementing regulations, may be obtained from the District Compliance Officer.

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below. The Board will further establish and implement a system of procedural safeguards in accordance with Section 504, including the right to an impartial due process hearing. See AG 2260.01B.

## **Training**

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

## **Facilities**

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto. Programs and activities will be designed and scheduled so that the location and nature of the facility or area will not deny a student with a disability the opportunity to participate on the same basis as students without disabilities.

## **Education**

The Board is committed to identifying, evaluating, and providing a free appropriate public education (FAPE) to students within its jurisdiction who have a physical or mental impairment that substantially limits one or more major life activities, regardless of the nature or severity of their disabilities.

An appropriate education may include regular or special education and related aids and services to accommodate the unique needs of students with disabilities. For disabled students who are not eligible for specially designed instruction under the IDEIA, the special education and related aids and services (including accommodations/modifications/interventions) they need in order to have their needs met as adequately as the needs of nondisabled students are met, shall be delineated, along with their placement, in a Section 504 Plan (Form 2260.01A F13). Parents/guardians/custodians ("parents") are invited and encouraged to participate fully in the evaluation process and development of a Section 504 Plan.

The Board is committed to educating (or providing for the education of) each qualified person with a disability who resides within the District with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the District places a person in a setting other than the regular educational environment, it shall take into account the proximity of the alternate setting to the person's home.

The District will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities. Non-academic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interests groups or clubs sponsored by the District, referrals to agencies that provide assistance to persons with disabilities, and employment of students. In providing or arranging for the provision of meals and recess periods, and non-academic and extracurricular services and activities, including those listed

above, the District will verify that persons with disabilities participate with persons without disabilities in such services and activities to the maximum extent appropriate.

## **Notice**

Notice of the Board's policy on nondiscrimination in education practices and the identity of the District's Compliance Officer(s) will be posted throughout the District, and published in the District's recruitment statements or general information publications.

## **Complaint Procedures**

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), parents and students will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, students and their parents will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights. Finally, students and parents will be advised of their right to request a due process hearing before an Impartial Hearing Officer (IHO) regarding the identification, evaluation or educational placement of persons with disabilities, and their right to examine relevant education records.

Internal complaints and requests for due process hearings must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint or the request for a hearing, and offer possible solutions to the dispute. The complaint or request for due process hearing must be filed with a District Compliance Officer within specified time limits. The District's Compliance Officer is available to assist individuals in filing a complaint or request.

### **Internal Complaint Procedures**

An internal complaint may be filed by a student and/or parent. A student and/or parent may initiate the internal complaint procedure when s/he/they believe that a violation, misapplication or misinterpretation of Section 504 has occurred. Additionally, the following procedure may be used for any disagreement with respect to actions regarding the identification, evaluation, or educational program or placement of students who are identified as disabled or believed to be disabled pursuant to Section 504, and are not eligible under the IDEIA, except in the case of disciplinary actions where the provisions of the Student Code of Conduct apply. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights or requesting a due process hearing.

- |        |  |
|--------|--|
| Step 1 | Investigation by the Building Compliance Officer: A student or parent may initiate an investigation by filing a written internal complaint with the Building Compliance Officer. The complaint should fully describe the circumstances giving rise to the dispute and how the child is adversely affected. The complaint must be filed as soon as possible, but not longer than thirty (30) calendar days after disclosure of the facts giving rise to the complaint. The Building Compliance Officer shall conduct an impartial investigation of the complaint. As part of the investigation, the Building Compliance Officer shall permit the complainant to present witnesses and other evidence in support of the complaint. The investigation shall be completed within fifteen (15) school days of the written complaint being filed. The Building Compliance Officer will notify the complainant in writing |
|--------|--|

of his/her decision.

- Step 2 Appeal to the District Compliance Officer: If the complaint is not resolved satisfactorily at Step 1, the student or parent may appeal the Building Compliance Officer's decision in writing to the District Compliance Officer. The appeal must be made within five (5) school days following receipt of the Building Compliance Officer's decision. The District Compliance Officer will review the case, may conduct an informal hearing, and will notify all parties in writing of his/her decision within ten (10) school days of receiving the appeal.
- Step 3 If the complaint is not resolved satisfactorily at Step 2, the student or parent may request a due process hearing, provided the complaint involves an issue related to the identification, evaluation, or placement of the student.

If it is determined that the Complainant was subjected to unlawful discrimination, the Building and District COs must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

### **OCR Complaint**

At any time, if a student or parent believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

U.S. Department of Education  
Office for Civil Rights  
Cleveland Office  
1350 Euclid Avenue, Suite 325

TDD: (216) 522-4944  
E-mail: [OCR.Cleveland@ed.gov](mailto:OCR.Cleveland@ed.gov)  
Web: <http://www.ed.gov/ocr>

Except in extraordinary circumstances, the OCR does not review the result of individual placement and other educational decisions, so long as the District complies with the "process" requirements of Subpart D of Section 504.

### **Retaliation**

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation, is prohibited. Specifically, the Board will not retaliate against,

coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

## Lakeshore Public Schools Administrative Guidelines

---

### **2260.01A - SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY**

The Superintendent establishes these administrative guidelines for the identification, evaluation, and educational programming and placement of students with disabilities who qualify under Section 504/ADA. These guidelines, along with AG 2260.01B, further fulfill the Board's directive to adopt a system of procedural safeguards that includes the right to have a due process hearing.

Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504") prohibit discrimination against qualified persons with a disability in any program or activity receiving Federal financial assistance. No discrimination against any qualified person with a disability will be knowingly permitted in any of the programs, activities, and/or practices in the District.

Building principals shall serve as Building Section 504/ADA Compliance Officers ("Building Compliance Officers").

**A person with a disability** is anyone who:

- A. **has** a physical or mental impairment that substantially limits one (1) or more major life activities;
- B. **has a record of** (i.e., has a history of, or has been misclassified as having) a physical or mental impairment that substantially limits one (1) or more major life activities; or
- C. **is regarded as having** a physical or mental impairment that substantially limits one (1) or more major life activities (i.e., has a physical or mental impairment that does not substantially limit major life

activities but is treated by the District as constituting such a limitation, or has a physical or mental impairment that substantially limits major life activities only as a result of the attitude of others toward such impairment, or has none of the physical or mental impairments recognized by Section 504 but is treated as having such an impairment).

**Major life activities** include, but are not limited to, functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine and reproductive functions.

**Physical or mental impairment** means:

- A. any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one (1) or more of the following body systems:
  1. neurological;
  2. musculoskeletal;
  3. special sense organs;
  4. respiratory, including speech organs;
  5. cardiovascular;
  6. reproductive;
  7. digestive;
  8. genito-urinary;
  9. hemic and lymphatic;
  10. skin; and
  11. endocrine; or

- B. any mental or psychological disorder, such as intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

Physical or mental impairments that are episodic in nature or in remission may constitute a disability for the purposes of Section 504/ADA if the impairment would substantially limit a major life activity when active, such as asthma, allergies, or cancer.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aids and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive technology, reasonable accommodations or auxiliary aids or services, or learned behavioral or adaptive neurological modifications.

Individual with a disability does not include the following (i.e., Section 504 specifically **excludes**):

- A. individuals who are currently engaging in the illegal use of drugs, when the District acts on the basis of such use
- B. an individual on the basis of homosexuality or bisexuality
- C. an individual on the basis of:
  - 1. transvestism, transsexualism, pedophilia, exhibitionism, voyeurism, gender identity disorders not resulting from physical impairment, or other sexual behavior disorders;
  - 2. compulsive gambling, kleptomania, or pyromania; or
  - 3. psychoactive substance use disorders resulting from current illegal use of drugs.

Individual with a disability includes an individual who:

- A. has successfully completed a supervised drug rehabilitation program and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully and is no longer engaging in such use;
- B. is participating in a supervised rehabilitation program and is no longer engaging in such use; or
- C. is erroneously regarded as engaging in the illegal use of drugs, but is not engaging in such use.

Notwithstanding the preceding, for purposes of programs and activities, providing educational services, the District may take disciplinary action pertaining to the use or possession of illegal drugs or alcohol against any student who is an individual with a disability and who currently is engaging in the illegal use of drugs or in the use of alcohol to the same extent that such disciplinary action is taken against students who are not individuals with disabilities.

The District will not discriminate against otherwise qualified students with disabilities (i.e., students who otherwise meet eligibility criteria – e.g., age – for participation in the educational program and/or activities) in the provision of its educational programs and activities. The District further will provide a free appropriate public education ("FAPE") to qualified students with disabilities (i.e., students who have a physical or mental impairment that substantially limits one (1) or more major life activities). Said education shall entail the provision of regular or special education and related aides and services that are designed to meet the individual educational needs of students with disabilities as adequately as the needs of students without disabilities are met. This includes providing academic and non-academic services to students with disabilities in the same setting as their peers without disabilities to the maximum extent appropriate. In addition to its provision of educational services, the Board will not discriminate against otherwise qualified students with disabilities in its provision of non-educational academic and extra-curricular services and activities such as counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the District, referrals to agencies that provide assistance to persons with disabilities, and employment of students, and will provide students with disabilities an equal opportunity to participate in such services and activities. Qualified students with disabilities will be afforded accommodations/modifications/interventions to the District's non-academic and extra-curricular services and activities, unless such accommodations/modifications/interventions would impose an undue financial burden, or would alter the fundamental nature or purpose of the service or activity. A determination that a particular accommodation/modification/intervention would constitute an undue burden must be made by the Superintendent or his/her designee after considering all resources available for use in the funding and operation of the service or activity, and must be accompanied by written statement of the reasons for reaching that conclusion. In the event the Superintendent or his/her designee determines that an undue burden would result, the District will take any other action that would not result in such burden but would still allow, to the maximum extent possible, individuals with disabilities to receive the benefits of the District's non-academic and extra-curricular services and activities on an equal basis as individuals without disabilities.

If a parent disagrees with a determination made by the District's professional staff concerning the identification, evaluation, or placement of a student with a disability, the parent may request a hearing before an impartial hearing officer that is not employed by the District (see AG 2260.01B).

Alternatively, the parent may file an internal complaint (see Policy 2260.01). A parent does not need to first exhaust the internal complaint process in order to file a request for a due process hearing. In fact, a due process hearing may be requested at any time and the parent does not waive that right if s/he first opts to try to resolve his/her dispute through the internal complaint process.

### **Procedures Applicable to Section 504 Referrals/Evaluations/Plans**

Annually, the District will undertake to identify and locate every qualified person with a disability residing in the District who is not receiving a public education, and notify the person and their parents or guardians of the District's duties and responsibilities under Section 504.

### **Referral**

Referrals may be made by anyone (e.g., parents, teachers, or other knowledgeable professionals). Referrals shall be made on the Suspected Disability Referral Form (Form 2260.01A F4) and submitted to

the Building Compliance Officer. Referrals may be made at any time. Parents may request a referral form by contacting the Building Compliance Officer or a District Compliance Officer.

Generally, a staff member should refer a student for an evaluation under Section 504 if s/he suspects that the student not only has a mental or physical impairment but also suspects an impairment which substantially limits one (1) or more major life activities. Examples:

- A. A teacher knows only that a student has asthma, without any other information. Refer? No.
- B. A teacher knows that a student has asthma and has an inhaler that is kept in the nurse's office that the student occasionally uses, without any other information. Refer? No.
- C. A teacher knows that a student has asthma, uses an inhaler in school, is frequently absent for asthma-related illnesses, and is having trouble in gym. Refer? Yes.

### **Assessment/Evaluation**

Upon receipt of a Suspected Disability Referral Form, the Building Compliance Officer will notify the appropriate 504 Case Manager who will collect all relevant information on the student (e.g., medical reports, grade cards/report cards, school history, disciplinary action, etc.) to assist in documenting whether the student has a physical and/or mental impairment that substantially limits one (1) or more major life activities.

The 504 Case Manager should contact school staff who perform assessments and have them review existing pertinent information and determine whether additional assessments are needed. If an evaluation is needed, written parental consent shall be obtained within thirty (30) calendar days of the referral for an evaluation and a copy of the Notice of Section 504/ADA Procedural Information and Rights (Form 2260.01A F3) sent to the parents.

The evaluation must be sufficient to accurately and completely assess the nature and extent of the disability, and the recommended services and/or accommodations. Evaluations that are more limited than a full special education evaluation may be adequate in some circumstances. The evaluation or review of assessment information should include consideration of any behaviors that interfere with the otherwise qualified student's regular participation in the educational program and/or activities.

If the District does not suspect that a student has a mental or physical impairment that substantially limits one (1) or more major life activities and therefore determines not to evaluate, it will notify the parents/guardian of that decision through the issuance of a prior written notice (Form 2260.01A F18) and provide them with a copy of the Notice of Section 504/ADA Procedural Information and Rights.

Before any action is taken with respect to Section 504 accommodations for a student with a disability, an evaluation shall be conducted or assessment information reviewed to determine if the student has a disability under Section 504. Parents will be afforded the opportunity to meaningfully participate and provide input in the evaluation process. The assessment information may include, but will not be limited to, medical reports that document a physical/mental impairment, aptitude and achievement test scores, teacher observations and recommendations, and other data, including information on social or cultural background and adaptive behavior. The information obtained from all such sources shall be documented and carefully considered. Additionally, if an evaluation is conducted, the Building Compliance Officer, in conjunction with the designated 504 Case Manager is responsible for verifying that:

- A. tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;
- B. tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient; and
- C. tests are selected and administered so that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

## **Re-Evaluations**

Re-evaluations are not required at specific intervals; however, assessments will be updated so that eligibility and accommodation planning is based on information that accurately defines the student's disability and reflects the student's current strengths and needs. At least every three (3) years appropriate school staff should determine whether updated evaluations are needed. A re-evaluation will be completed prior to a significant change in placement. When a re-evaluation is needed, parents will be sent prior notice (Form 2260.01A F18) and a copy of the Notice of Section 504/ADA Procedural Information and Rights. Consistent with initial evaluations, parents will be afforded the opportunity to meaningfully participate and provide input in the re-evaluation process.

## **Eligibility Determination**

Within a reasonable period of time (generally no more than sixty (60) calendar days), the Building Compliance Officer will convene an Intervention Assistance Team ("IAT") Conference. The student's parents will be sent a letter inviting them to attend and participate in the IAT conference (Form 2260.01A F9). The letter to the parents should be sent at least seven (7) calendar days prior to the Conference. Parents will also be sent a copy of the Notice of Section 504/ADA Procedural Information Rights. The IAT shall be composed of persons knowledgeable about the child, the meaning of the evaluation data, and the placement options, and should at a minimum include the Building Compliance Officer, the designated 504 Case Manager, and the parents. The IAT may also include general education teacher(s), student, guidance counselor, school psychologist, the District's Health Coordinator, school nurse, Director of Pupil Services/Special Education, and other persons with knowledge of the student or the suspected disability, and any other individual the parents may wish to bring to the Conference. The purpose of the Conference is to discuss the information gathered, determine whether the student has a disability that makes him/her eligible for specialized services and/or accommodations/modifications/interventions under Section 504 (i.e., review the impairment and determine whether it substantially limits one (1) or more major life activities), and, if so, determine whether the student requires specialized services and/or accommodations/modifications/interventions in order to receive a free appropriate public education ("FAPE") and to access the District's programs and activities on an equal basis to students without disabilities.

The Building Compliance Officer will serve as the Chairperson of the IAT Conference. The Chairperson has the following responsibilities:

- A. at each IAT Conference, to verbally explain and offer a written copy of

the Notice of Section 504/ADA Procedural Information and Rights (Form 2260.01A F3)

- B. gather information
- C. organize the presentation of the data
- D. coordinate the deliberation of Section 504 eligibility (see Form 2260.01A F11):
  - 1. Does the student have a physical or mental impairment?
  - 2. Does that impairment "substantially limit one (1) or more major life activities"?
  - 3. Does the team have the data to justify a disability determination?
  - 4. Is the student a qualified individual with disabilities within the meaning of Section 504?

At the IAT Conference, the IAT will determine the needs, accommodations/modifications/interventions, services and placement for the student, which may include, but are not limited to:

- A. adjusting testing procedures;
- B. individualize classroom assignments, homework;
- C. provide staff interventions;
- D. utilize assistive technology;
- E. provide a buddy to take notes;
- F. provide an interpreter (for students or adults);
- G. modify materials;
- H. modify the student's day;

- I. facilitate or modify parents/student/teacher/staff communication;
- J. modify school procedures (e.g., provide additional time for passing between classes, adjust transportation, or approve early dismissal);
- K. develop and implement appropriate medical plans (e.g., emergency, asthma, seizure, or allergy plans) for eligible students whose physical or mental impairment impacts a major life activity other than learning.

The accommodations/modifications/interventions will be individualized to meet the needs of the student.

In interpreting data and making placement decisions, the District will draw upon information from a variety of sources, including aptitude and achievement tests, teacher observations and recommendations, medical reports that document a physical/mental condition, social or cultural background, and adaptive behavior. The information obtained from all such sources shall be documented and carefully considered.

#### **Possible Outcomes of the IAT Meeting**

- A. Student is eligible for a Section 504 Plan (Form 2260.01A F13). The IAT documents this determination on the Section 504 Summary Evaluation Report (Form 2260.01A F10). Section 504 Plan is developed by the IAT. Parents will be given a copy of the Notice of Section 504/ADA Procedural Information and Rights (Form 2260.01A F3).
- B. Student is ineligible for a Section 504 Plan. The IAT documents this determination on the Section 504 Summary Evaluation Report (Form 2260.01A F10). Parents will be given a copy of the Notice of Section 504/ADA Procedural Information and Rights (Form 2260.01A F3).
  - 1. The IAT determines if the student needs interventions pursuant to a Rtl Plan. If Rtl is determined to be appropriate, the IAT will develop strategies to provide necessary interventions. The interventions should be documented on Rtl paperwork. A copy of the Rtl plan should be filed in the student's cumulative record folder. A copy of the Rtl plan is NOT required to be sent to the District Compliance Officer.
  - 2. Student will be served appropriately in the regular education program without written interventions.
- C. The IAT determines that it needs to collect more information before making an eligibility determination.

The Summary Evaluation Report (Form 2260.01A F10) shall reflect the determination on the issue of whether the student has been identified as having a qualifying disability under Section 504. This document should be reviewed periodically.

### **Section 504 Plan**

If a student is identified as having a disability pursuant to Section 504, and the IAT determines the student requires specialized services and/or accommodations/modifications/interventions in order to receive FAPE and to access the District's programs and activities on an equal basis to students without disabilities, the IAT will develop and complete the Section 504 Plan (Form 2260.01A F13). Aside from the description of the student's disability and the special education or related services and aides needed, the Plan will specify how the student will be provided FAPE. The Plan will specify the accommodations/modifications/interventions necessary so that the student's needs are met as adequately as the needs of students without disabilities. The purpose of the Section 504 Plan is to provide the student with equal access to school activities, to remove barriers to educational opportunity, and provide, to the degree possible, a level playing field. The Section 504 Plan should be signed by the members of the IAT, including the parents. A copy of the Plan will be sent to the District's Compliance Officer and the Building Compliance Officer **as soon as possible**. A copy of the Plan also will be placed in the student's cumulative folder and given to school personnel who work with the student. If the parents are present, the Building Compliance Officer will request written permission from the parents to implement the Section 504 Plan. For initial plans, parent consent is required prior to implementation by the District. If the parents do not attend the meeting to develop a Section 504 Plan, the District will make reasonable efforts to obtain parental input prior to finalizing the plan and (a) submitting the Plan to parents for consent or (b) implementing a subsequent Plan. After parents consent to the initial Section 504 Plan, the District may implement subsequent plans without written parental consent, but the parents must be provided with a copy of the Notice of Section 504/ADA Procedural Information and Rights (Form 2260.01A F3) that explains their right to challenge the District's actions. Regardless of whether it is an initial or subsequent plan a copy of the Plan must be sent to the student's parents.

With respect to Section 504 Plans, the designated 504 Case Manager is responsible for:

- A. informing staff that the Section 504 Plan is a legal document;
- B. writing and distributing the Section 504 Plan;
- C. encouraging staff to request a 504 review if they are concerned about or unable to follow the Section 504 plan;
- D. ensuring that reviews of Section 504 plans are held annually by October 15th, and that the results of the annual review are sent to the District Compliance Officer.

Upon completion of the Section 504 Plan, the Building Compliance Officer should follow the Additional Procedures Applicable to Students with Section 504 Plans (see below).

### **Additional Procedures Applicable to Students with Section 504 Plans**

- A. Prior to the beginning of each school year:

1. The Building Compliance Officer or his/her designee is responsible for identifying the students in his/her building who have had Section 504 Plans in the past and designating a 504 Case Manager.
2. The designated 504 Case Manager or his/her designee is responsible for obtaining a copy of the previous school year's Section 504 Plans and distributing them to all appropriate staff members.

B. Within the first two (2) months of the school year:

1. The Building Compliance Officer must notify the student's parents that the IAT needs to meet to review the Section 504 Plan and to determine whether it is still necessary/appropriate for the new school year.
2. The Building Compliance Officer must schedule an IAT meeting to formulate a Section 504 Plan for the student for the new school year. The Section 504 Plan Review form (Form 2260.01A F17) must be completed at the meeting. The IAT, including the parents, is charged with deciding whether to continue the existing Plan, discontinue the current Plan, or develop a new Plan.
3. If there is an "active" Section 504 Plan, a copy of the Plan needs to be forwarded to the District Compliance Officer by October 15th of each school year and a copy of the Plan placed in the student's cumulative record folder.
4. Updated copies of the student's Section 504 Plan will be distributed to all of the student's teachers after review by the 504 Case Manager.

C. During the school year:

The Section 504 Plan can be reviewed by the IAT at any time if concerns develop as to the appropriateness of the specialized services and/or accommodations/modifications/interventions being used with the student. This review can be initiated by staff or parents.

D. Procedural Safeguards:

Any time the written results of a IAT meeting are provided to a student's parents, they should also be offered a copy of the Notice of Section 504/ADA Procedural Information and Rights (Form 2260.01A F3).

## **Parents' Options If They Disagree with the District's Identification, Evaluation and/or Placement of Their Child**

The parents may challenge the actions of the IAT regarding identification, evaluation or placement of their child by filing a request for an impartial due process hearing. Alternatively, the parents may file an internal complaint. If the parents elect the former, the Board must provide a due process hearing before an impartial hearing officer ("IHO") that is not employed by the District. See AG 2260.01B - Section 504/ADA Parents' Procedural Rights, including Due Process Hearing. A parent does not need to first exhaust the internal complaint process in order to file a request for a due process hearing. In fact, a due process hearing may be requested at any time and parents do not waive that right if they first opt to try to resolve their dispute through the internal complaint process. If a parent is not satisfied with the IHO's decision, s/he may appeal it to a Federal Court of competent jurisdiction.

The parents may also file a complaint with the Office for Civil Rights. The Office for Civil Rights, however, is not part of the District's internal complaint process or the system of procedural safeguards, and, absent extraordinary circumstances, will not review the results of individual placement and other educational decisions so long as the District complied with the "process" requirements of Section 504 (concerning identification and locations, evaluation, and due process procedures).

### **Facilities**

With regard to accessibility of facilities, the District will meet its obligations through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, alteration of existing facilities and/or construction of new facilities, or any other method that results in making its programs and activities accessible to persons with disabilities. In choosing among available methods for meeting its obligations, the District will serve persons with disabilities in the most integrated setting appropriate.

### **2260.01B - SECTION 504/ADA PARENTS' PROCEDURAL RIGHTS, INCLUDING DUE PROCESS HEARING**

#### **Procedural Information and Rights**

In accordance with various Federal laws (including Section 504, the Americans with Disabilities Act of 1990, as amended ("ADA"), FERPA, and Title VII), the following procedural safeguards will be provided with respect to decisions or actions regarding the identification, evaluation, educational program or placement, or content of a Section 504 Plan of a student who is or may have a disability under Section 504, but not also qualify under the IDEIA:

- A. students with disabilities have the right to take part in, and receive benefits from, public education programs without discrimination because of their disabilities;

- B. parents have the right to be advised of their rights under Section 504;
- C. parents have the right to receive written notice of any decision regarding the identification, evaluation, or educational placement of their child;
- D. parents have the right to have their child receive a free appropriate public education ("FAPE") if the child has a physical or mental impairment that substantially limits one or more major life activities;

This includes the right to be educated with students without disabilities to the maximum extent appropriate (i.e., the student's education will be provided in the regular education classroom unless it is demonstrated that education in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily) and to receive regular or special education and related aids/services that are designed to meet the individual educational needs of students with disabilities as adequately as the needs of students without disabilities are met.

- E. parents have the right to have their child educated in facilities and receive services comparable to those provided to students without disabilities;
- F. parents have the right to have evaluation and educational placement decisions made based upon a variety of informational sources, and by persons who know the student, and are knowledgeable about the evaluation data and placement options;
- G. parents have the right to have their child transported in a non-discriminatory manner;

If the District refers a student for aids, benefits, or services outside the District, the District will ensure that adequate transportation is provided at no greater cost to the parents than if the aids, benefits, or services were provided within the District.

- H. parents have the right to place their child in a private school or alternative educational program;

However, if the District makes a FAPE available to the student that conforms to the requirements of Section 504 and nevertheless the parents choose to place the student elsewhere, the District is not required to pay for the student's education at the private school or alternative program, including costs associated with transportation.

- I. parents have the right to have their child given an equal opportunity to

participate in nonacademic and extracurricular activities offered by the District;

- J. parents have the right to examine all relevant education records, including, but not limited to, those documents related to decisions regarding their child's identification, evaluation, educational program and placement;
- K. parents have the right to obtain, at their own expense, an independent educational evaluation of their child;
- L. parents have the right to obtain copies of education records at a reasonable cost unless the fee would effectively deny the parents access to the records;
- M. parents have the right to a response from the District to reasonable requests for explanations and interpretations of their child's education records;
- N. parents have the right to receive all information in the parents' native language and mode of communication;
- O. parents have the right to periodic re-evaluations and an evaluation before any significant change in program/service modifications;
- P. parents have the right to request amendments of their child's education record(s) if there is reasonable cause to believe that information contained in the record(s) is inaccurate, misleading or otherwise in violation of the privacy rights of their child;

If the District refuses to amend the record(s), the parents have the right to request a hearing and/or to attach to the record(s) a statement of why they disagree with the information it contains.

- Q. parents have the right to request mediation or an impartial due process hearing related to decisions or actions concerning their child's identification, evaluation, educational program or placement;
- R. parents have the right to file an internal complaint;
- S. parents have the right to be represented at any point in the process by an attorney;
- T. parents have the right to recover reasonable attorney fees as authorized by law (i.e., if the parents are successful on their due process claim);

- U. parents have the right to be notified of their Section 504 rights:
  - 1. when evaluations are conducted;
  - 2. when consent for an evaluation is withheld;
  - 3. when eligibility is determined;
  - 4. when a Section 504 Plan is developed; and
  - 5. before there is significant change in the Section 504 Plan.

### **Due Process Hearing**

- A. Students and their parents will be advised of their right to request a due process hearing before an Impartial Hearing Officer (IHO) regarding the identification, evaluation or educational placement of persons with disabilities, including the right to participation by the student's parents or guardian and representation of counsel, and their right to examine relevant education records.

When a request for a due process hearing is received, the aggrieved party will have the opportunity to receive a hearing conducted by an impartial hearing officer ("IHO") (i.e., by a person not employed by the Board of Education, not involved in the education or care of the child, and not having a personal or professional interest that would conflict with his/her objectivity in the hearing).

- B. The District will maintain a list of trained IHOs that may include IDEIA hearing officers, attorneys, and Directors of Special Education outside the District. The District Compliance Officer will appoint an IHO from that list, and the costs of the hearing shall be borne by the District. The appointment of an IHO will be made within fifteen (15) school days after the request for a due process hearing is received.
- C. A party to such a due process hearing shall have:
  - 1. the right, at his/her/their own cost, to be accompanied and advised by legal counsel and by individuals with special knowledge or training with respect to the problems of children with disabilities;

2. the right to present evidence, and confront, cross-examine and compel the attendance of witnesses;
  3. the right to a written or electronic verbatim record of such hearing; and
  4. the right to written findings of fact and the reasons for the decision.
- D. The IHO shall conduct the due process hearing within a reasonable period of time (i.e., not to exceed ninety (90) calendar days from the request for such a hearing, unless this time-frame is mutually waived by the parties or is determined by the IHO to be impossible to comply with due to extenuating circumstances).
- E. The IHO will give the parent and/or student written notice of the date, time and place of the hearing. Notice will be given no less than twenty-one (21) calendar days prior to the date of the hearing, unless otherwise agreed to by the parent and/or student. The notice shall include:
1. a statement of time, place and nature of the hearing;
  2. a statement of the legal authority and jurisdiction under which the hearing is being held;
  3. a reference to the particular section of the statutes and rules involved;
  4. a statement of the availability of relevant records for examination;
  5. a short and plain statement of the matters asserted; and
  6. a statement of the right to be represented by counsel.
- F. The IHO shall conduct the hearing in a manner that will afford all parties a full and fair opportunity to present evidence and to otherwise be heard. The parent and/or student may be represented by another person of his/her choice, including an attorney.
- G. The IHO shall make a full and complete record of the proceedings.
- H. The IHO shall render a decision in writing to the parties within thirty (30)

calendar days following the conclusion of the hearing. The decision will be based solely on the testimony and demonstrative evidence presented at the hearing and include a summary of the evidence (i.e., findings of fact) and the reason for the decision.

The notification shall include a statement that either party may appeal the decision.

- I. Appeal of the IHO's decision may be made to a Federal court of competent jurisdiction.

### **Retaliation**

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.
